

2023 FAMILY COURTYARD PROJECT

The Senior Fair board is excited to introduce our newest project to you, "The Family Courtyard Project". The Family Courtyard will be located at the South East side of the Piehl Family Arena. The proceeds from each engraved paver sold will go towards the purchase of tables and chairs for the Piehl Family Arena and The Bambauer Community Room (the newest year round Event Center).

The pavers permanently pay tribute to friends and families involved in Fair, year round events, grounds improvements, sponsors, donors and all Auglaize County Fairgrounds Supporters. In addition, The Family Courtyard will add charm and outdoor seating to the Fairgrounds year round.
